Broadway & 156th Street,  
New York City.

My dear Sir:-

We had the pleasure of a visit recently from Dr. Newell and he very kindly suggested at that time, that he would recommend our coins for your inspection.

We write you now, with a view of extending to you our invitation to visit our showrooms at your convenience. It would be a privilege if you would permit us to show you our coin collection, which we believe, will prove of interest to you.

If you would be so kind as to designate the time we might show these to you, the writer would arrange to be present.

Thanking you and awaiting the pleasure a visit from you would afford us, we remain

Yours faithfully,

PERSIAN INDUSTRIES CORP.

Gentlemen:            Attention:   Mr. A. A. Kiachif

Mr. Newell spoke to me the other day about some coins that you had. I would be very glad to look them over later on. At the present moment I am out of town nearly every day on my vacation. After the middle of September I will drop you a line and make an appointment with you.

Very truly yours,
